MEMBER INTERVIEW QUESTIONS

ESSAE is 40! In celebration of ESSAE's 40th Anniversary, we are conducting interviews with some of ESSAE's longest-tenured members. We'd like your perspective on ESSAE's shining moments and how it has influenced industry change over the years; also, how it has benefited you both personally and professionally.

Please take a few minutes to answer the following questions. A few sentences will suffice, but take as much space as you'd like. Alternatively, if you prefer to answer the questions by way of a phone or in-person interview, please contact 40th Anniversary Committee Member Stephanie Bugos at sbugos@nysba.org.

We also ask that you submit a current headshot to accompany your interview responses. If you have a photo that you would also like to share—please send along! The interviews may be published on ESSAE's website and/or highlighted in e-newsletters.

Thank you for participating in this important event in ESSAE's history.
