The Precious Gem Collection

About the Key Supporter Program

As leaders and partners in the association and meetings professions, you have an opportunity to show your philanthropic support of ESSAE and help grow the organization by being a Key Supporter.

We are resolute in our efforts to improve the resources made available to our members. This is where Key Supporters come into play. Your organization's contribution will help ESSAE to better serve its members through expanded services, new programs, and professional development opportunities.

Key Supporters have helped to strengthen ESSAE and fortify the association community in New York State. We hope you will consider this as an investment in the future of ESSAE and the industry at large.
